2024 Commission Rates

Thank you for your interest in a commissioned painting.

You can choose your size and let me know specifically what you are looking for. You can send a reference image of your own or choose from a painting you have seen of mine.

I can create your painting on either a raised panel with the sides painted gold, or on a flat panel that would need to be framed. Pricing does not include the frame, which I am happy to take care of, if that's something you would like.

Oil paintings take several weeks to dry and length of time to complete the project will vary with the size and my own schedule. I will do my best to complete the project within your needs as best I can.

I require a 50% deposit to begin and the remainder at time of delivery.

Pricing does not include shipping or sales tax.

Please let me know if you have any questions.
